SPECIAL RULE FOR COLORADO GRAZING DISTRICT No. 1¹

A proper showing having been made and it having been found that the available public land is insufficient in Colorado Grazing District No. 1 to meet the requirements of all in the preferred class and that the general rule set forth in the Amendment to the Rules for Administration of Grazing Districts approved January 28, 1937, is unsuited to local conditions and will not permit an effective and orderly administration of the act in that particular district, the preferred class will be divided for that district into two groups as follows:

1. Those who have dependent commensurate property which has been used in connection with the public range for any two full consecutive grazing seasons during the 5-year period immediately preceding the passage of the Taylor Grazing Act.

2. Those who do not have such prior use.
